The Center for Child and Family Health is excited to share that we are currently recruiting for our 2026–2027 Resource Parent Curriculum (RPC) Staff Facilitator Training Cohort. This free, in-depth, trauma-informed program prepares child welfare professionals to facilitate Caring for Children Who Have Experienced Trauma: A Workshop for Resource Parents. The workshop equips foster, kinship, and adoptive families with practical strategies to support children who have experienced trauma, helping to strengthen placements and improve outcomes.
